

We designed the Port-O-Flush™ to be a compact yet powerful tool built right into a rugged hand truck! Although other systems are portable, only the Port-O-Flush™ can easily navigate rough or uneven terrain.

Port-O-Flush™ is our most popular flushing system with dealers & service technicians. Without a doubt the Port-O-Flush™ is professional grade. From its tough schedule 80 construction to its pressure regulated, flow control system, every aspect of the Port-O-Flush™ has been designed with the professional in mind.

Port-O-Flush™ provides portability and versatility while still efficiently handling small to medium size engines, heat exchanger, air conditioning & refrigeration systems.

TRAC's Port-O-Flush™ is an essential tool to anyone responsible for water system maintenance!
